Marketing Materials

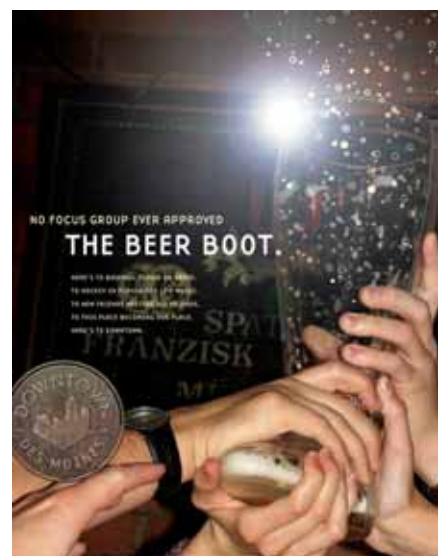

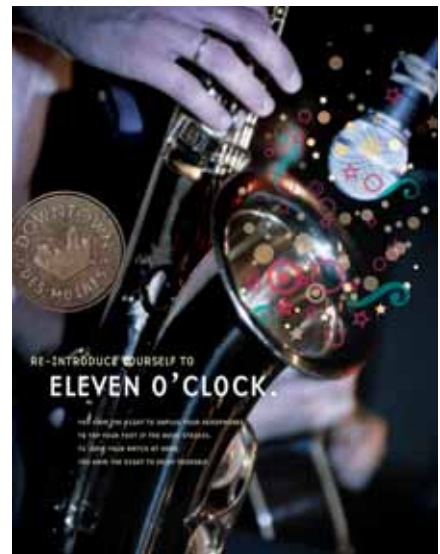

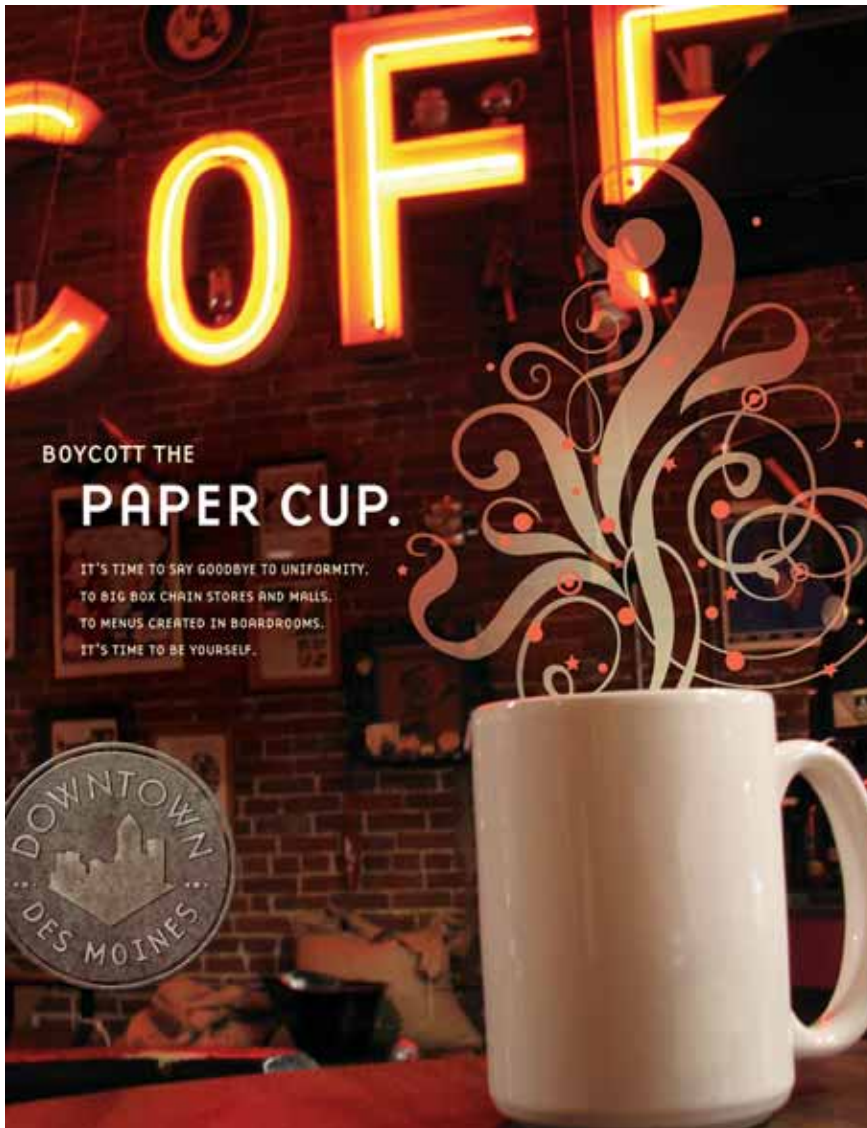

Logo

BEAM CENTRAL VACUUM SYSTEMS

I have worked on all aspects of Beam, from logo design to brochures and media kits. I designed the new brand logo and the brochures represent the projects I worked on while rebranding Beam's image.

DOWNTOWN COMMUNITY ALLIANCE

The Downtown Community Alliance was first introduced as an RFP. For this campaign, I was able to shoot the photography and design the layouts for this concept. The DCA liked the creative so much we won the account.

IOWA STATE UNIVERSITY

I have worked on various projects for Iowa State University. I have created advertisements, billboards, and brochures for recruitment. In addition, I have worked on the 150th celebration advertisements for ISU.
